

3rd Ashton on Mersey Scout Group

PAYMENT OF MEMBERSHIP SUBSCRIPTIONS

To All Parents/Carers of Group Members

3rd Ashton collects membership fees or subscriptions by standing order each month.

Here are the bank details that you need to setup a standing order via your online banking access.

Account Name	3 rd Ashton on Mersey Scout Group
Sort Code	01-07-71
Account number	02833220

Please add a reference number for ease of tracking, which should be your child's two initials, followed by their date of birth and text it to me (number below). This will assist us in checking off payments against the membership list.

For example – If you child is called John Smith and he was born on 13th September 2021 then the reference number would be: JS130921

Membership Fees are **£15 per month** and cover the weekly costs of section meetings, materials, badges etc as well as the annual membership fee of the Scout Association. For families with multiple children in the Group (Scouts, Cubs and Beavers), the payment will be £12.50 per child.

Once a standing order is set in place, it will remain in place as your child progresses through each section.

Standing orders have no end date set and therefore please don't forget to cancel the standing order when your child leaves the Group. This is the responsibility of the person funding the order however, through regular checks; we will monitor membership against receipts, to try to ensure there is no extended payment period. Any overpayment will be refunded if this ever occurs.

Payment by standing order greatly reduces the administration time of the Group leaders and avoids the tasks of reminding parents and carers and it also evens out the cost of membership throughout the 12 months of the year.

Any parent or carer who has a problem with the scheme should contact their child's leader or please give me a call.

Thank you
